TERMINAL DISCLAIMER

Nikon Corporation, ("Nikon") is the owner of the entire interest in the above-identified application. The assignment was recorded on June 18, 1997, (Reel 8634, Frames 6-8).

Nikon hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of United States Patent No. 5,805,334, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 5,805,334, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Nikon does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of United States Patent No. 5,805,334, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated
